St Therese's Essendon Memorial Garden - Terms & Conditions

St Therese's Memorial and Precious Angels Garden was established in 2011 and was created to allow those in our community to remember their deceased loved ones, by interment of cremated remains or the installation of a memorial plaque. The garden is for the use of parishioners who over the years, by their involvement and generosity, contributed to the legacy we now all enjoy and admire.

People living outside our parish may be permitted to make limited use of our Memorial Garden with an in-ground interment, and plaque after consultation with the Parish Priest and parish staff. Those people should be able to demonstrate a connection or history with the parish. Plots in the garden are not available for purchase by those without any connection to the parish.

ALL INTERMENTS MUST BE DONE WITH PERMISSION OF THE PARISH.

ALL ASHES INTERRED IN THE MEMORIAL GARDEN ARE IRRETRIEVABLE.

Interment in Columbarium Urns

- Interment in Columbarium Urns is available only to genuine 'participating parishioners' who may pre-purchase one Columbarium for future use
- Each Columbarium will hold up to 3 interments of cremated remains

- Cremated remains must be poured into the ground and cannot be buried in a receptacle.
- There will not be any ground marker to indicate the location of interment, however a plot grid will be maintained at St Therese's Parish Office.
